Hi All,

Mountain Eagle Ministries is here to help you find direction for your life and hope in Christ for your future.

The Eagle symbolises pure spirit

"They that wait upon the Lord shall renew their strength.

They shall mount up on wings like the Eagles.

They shall run and not be weary, they shall walk and not faint."

The Eagles are magnificent birds whose habitations are in the mountains and in the high cliffs. They are made in such a manner that they gain advantage from that height. They have amazing eyesight and can detect prey up to two miles away. The Eagle with its keen eye symbolises:

- perspicacity - (that is a ready insight into things)
- courage
- strength
- immortality

They are also considered to be the kings of the skies and messengers of the highest gods. With these attributes the Eagle became a symbol of power in Ancient Rome, the eagle conveys the power and message of the spirit.

It is man's connection to the Divine because it flies higher than any other bird. The eagle is symbolic of the importance of the principles of honesty and truth.

My prayers are that we will experience that strength and power so that we will be able to soar above every difficulty in our lives and that we will be connected to the divine.

If you are reading this and you do not have this divine connection; today you can, by simply surrendering your life to Christ and He will make the difference in your life.
