

Message from the Pastor 's Desk

Our church family, these are unprecedented times in which we live. I encourage you to continue to find comfort, peace and hope in your relationship with God. He has neither left us nor forgotten us. As a leadership team, we will endeavour to maintain our pastoral care to you through telephone calls, social media and other appropriate means. Our Communications Team will continue to keep you updated in order to maintain a link with each other.

May I encourage you to listen to the sermons which will be coming out to you in order to strengthen and encourage your hearts. I encourage you to also access the prayer line as a means for many of us to come together in corporate prayer despite being outside the four walls of our church. Whilst we need to

adhere to the government guidelines on social distancing, may I encourage you to look out for the elderly and vulnerable of our church, and also those who are our neighbours and maintain our care for each other.

Finally a number of people have been asking how can they continue to support our church financially. We would encourage you to give online if you are able to. (Bank details is listed below). If not, please contact Paulette Wright our church treasurer at secretary@ntcgnorthampton.org.uk or Bishop Allen.

We also acknowledge that some members may be negatively impacted with employment during this difficult period. Please bring to our attention any needs which you may have, and we will do our best to support.

Bank Details:

Bank: NatWest

Sort code: 60-15-55

Account: 83826793
