This is our Testimony

Portia & Jude Johnson

Hello church, I am Portia. I made a decision to become a Christian at the age of 9. I gave my life to the Lord at the Youth Convention in Bethel, Birmingham and the year after, in 2014, at the age of 10, I was baptised in water on the 31st of December. And I am Jude. I became a Christian in 2015 and got baptised in water later in the same year.

Our experience at the College Street NTCG has been very rich and life changing due to the fact that this is where we were brought up and also due to the fact that we live our lives according to what we were taught here right from children's church to the youth group including the main service and at home. This church has taught us a lot. We admire the fact that the atmosphere is spiritually empowering and enables the congregation to be free and open. Being brought up in this church from birth, we have had the privilege of constant support and help to grow in our faith and to explore different ways of worship and ministry from the youth worship team/

musicians to the flag ministry and also the media ministry.

Being young Christians, we face many challenges in life. We believe the biggest challenge that we face is peer pressure like many others of our generation There is tremendous pressure to do what those around us are doing. All people, young and old, are subjected to the pressure to conform in order to be accepted and liked by others. The majority of the youth find it hard to learn to be themselves and not imitate others. Many find it hard to think for themselves and blindly follow the way of the crowd. We understand that everyone should try to be socially acceptable, friendly, courteous, fair, gentle, pleasant and polite. But we also understand that these qualities are best developed and portrayed when they are done as an expression of our attempt to copy Jesus. But it is sometimes very hard to stand on our own feet and be independent of peer pressure and do not let others govern our lives.

Romans 12:2 says "Do not conform any longer to the pattern of this world but be transformed by the renewing of your mind. Then you will be able to test and approve what God's will is--his good, pleasing and perfect will." Paul tells us to abandon the chase for pleasure, possessions, and status—to stop living like everyone else. Instead, he urges us to be transformed from the inside out. Specifically, he writes that we must be changed in how we think, to have our minds renewed so that we can begin to understand God's will for our lives. So, we hold onto the scripture and continue to allow Jesus to change us from the inside and stride to stand above the continual peer pressure. When facing these challenges, the two songs that encourages us are:

(i) Stand Out by Tye Tribbett <https://www.youtube.com/watch?v=4yfiMIVUwXU>

(ii) No Gray by Jonathan McReynolds <https://www.youtube.com/watch?v=Mp9nsl0B-JU>

Getting to know our stories, checking what we think makes good fellowship, organising more relevant activities/outings, communicating through newer/popular apps with us, teaching in new, fresh exciting ways and making teaching and youth services relatable to young people's everyday lives are a few suggestions that we truly consider would inspire and excite us as young people about the Christian faith and get us more involved within the church.

During Covid, our church had to change quite significantly. We had to be on zoom and abide by rules when physically entering the church. Unfortunately, this stopped us from engaging in fellowship with other young people which halted the growth of the youth programme as a whole and it has been difficult to rekindle when we were allowed back in church. However, being in lockdown allowed us to

study the word day and night as a family and also independently. Some of our favourite scriptures that we would like to share with you are Jeremiah 29:11 "For I know the plans I have for you said the Lord.....", Ezra 10:4 "Rise up; this matter is in your hands. We will support you...." and finally Psalm 23:4 "Even though I walk in through the darkest valley, I will fear no evil, for you are with me..."

Our family devotions have been one of the biggest and most important contributions to our growth in the Christian faith. It has helped to create a firm foundation for our spiritual growth. It has helped to train us to value and practice these spiritual disciplines from an early age and to aim to carry these practices with us through life.

We agree that all young people need some sort of family devotion whether it is their biological/ non-biological family, church family or even friendship groups. Family devotion is like a charger. Whatever negativity that has crept into our daily lives, devotion as a family/group serves as our "re-fuelling", "re-charging" tool for whatever the next day may bring. Whatever happy moments, blessings we have received, family devotions are a great way to praise the Lord and give Him thanks and also the best for young people to know that they have a place to off-load and get support.

Thank you for reading our testimony. We pray that you will be inspired and encouraged to go forth and spread the word, understanding that we are all unique, divinely called without partiality.

If you have a story/testimony to share, please let Rev Phyllis Thompson know by emailing her on:
