Operation Christmas Children Volunteers needs you!

OCC Northamptonshire is looking to grow our team. We are currently recruiting seasonal volunteers in the following areas:

Project Leader

Project leaders facilitate the packing of Operation Christmas Child shoebox gifts for a church or group. Planning the Operation Christmas Child Project in your church and sharing the vision as we look to share God's love in a tangible way to children in need around the world and where we can share the good news of Jesus! This will include ordering the resources, planning the launch for September in the church to encourage everyone to pack a box and return their shoebox during national collection week.

Connect Volunteers

Our Connect Volunteers work together in local teams to enthuse and equip churches and groups in their communities to take part in Operation Christmas Child by packing shoebox gifts. They also encourage local Christians to partner with us in prayer, to reach out in mission to their friends and local communities, and to sponsor The Greatest Journey; the exciting Bible discovery course offered to children who receive shoeboxes. Join a Connect Volunteer Team to use your God-given gifting and interest in one of the following areas. As you inspire others in the UK to get involved, more children around the world will experience God's love through a simple shoebox gift and get to discover, follow and share Jesus.

Prayer Partners

Work with the prayer coordinator of pray into the specific prayer needs of OCC

There are many seasonal ways to get further involved with Operation Christmas Child, from volunteering to check shoebox gifts at a processing centre, to being part of the logistics team in your local area, or one of the hundreds of drivers who pick up shoeboxes on our behalf.

MORE DETAILS TO FOLLOW

This is my Testimony

Bro Ronald Hundah

My family and I have been attending College Street since December 2017. Our time at this Church has been quite significant in our discipleship particularly in recent times when we have been privileged to engage with the Discipleship Growth Plan 'Living what we believe'. We have experienced a huge transformation of our lives through the Word of God as it has been preached and taught through this programme. We have been inspired to deepen our love of the Lord and to serve Him more diligently.

The discipleship Growth programme, designed by Bishop Allen and the leadership team to help to shepherd the children of God is a wonderful source of information, motivation and challenge. Being a disciple is not simply about being a Church member. It is much more than that. A disciple is someone who believes in Jesus Christ and has confessed Him as His Lord and Saviour and seek to be like him in how we think, what we say and how we behave.

Through this programme we learn to live what we believe. We believe that God's

Word is true and alive. In Hebrews 4:12, Paul said 'For the word of God is living and active *and* full of power [making it operative, energizing, and effective]. It is sharper than any two-edged sword, penetrating as far as the division of the soul and spirit [the completeness of a person], and of both joints and marrow [the deepest parts of our nature], exposing *and* judging the very thoughts and intentions of the heart.' We learn that His word only becomes a living thing when we begin to act on it. The word of God is God speaking to us. So, we are invited to hear the Word and let the Word speak to us. Let the Word be our reference point for life. We can utterly depend on His Word for guidance in every aspect of our life and in so doing we can live our lives as blessed people and be a blessing to others.

The programme has also helped us to live by faith. I am grateful that God led us to such a good church. I thank everyone for the support and love my family and I receive. We feel like we have become part of the family. The NTCG at College Street is a good church and we are glad to come here to worship. As we have been given opportunities to serve God, we pray that we shall bear fruits according to His will.

If you have a story/testimony to share, please let Rev Phyllis Thompson know by emailing her on: phyllis.thompson@ntcg.org.uk
